

Proposed Water District No. 7 Preliminary Engineering Report/ Map, Plan and Report (PER/MPR)
Download Instructions:

1. Please select the link below to download an electronic copy of the revised PER/MPR for the Proposed Water District No. 7, authored by the Town Engineer Barton & Loguidice (B&L) in August 2019, and revised in April 2020.

Download Link: [Proposed Water District No. 7 - PER/MPR Download Link](https://liquidfiles.bartonandloguidice.com/message/vBcQoLf5ngzN1L9OGDmx5X)

2. Selecting the link above will open a new window in the web browser of your personal computer, or tablet directing you to a page as shown below. Select the link next to “Attached Files” to begin the download of the electronic PER/MPR, see below in red.

3. Once the download is complete it will appear in the web browser and will be ready to open (depending on browser), or will be available in the “Downloads” folder of the File Explorer. The PER/MPR will be download in PDF format and can be viewed with a PDF Viewer application, Internet Explorer, or Microsoft Edge.
