Dear Residents,

Greetings! We want to bring your attention to the upcoming public referendum that will determine whether our town will move forward with the adoption of the \$1 million Bond Resolution approved on December 21st, 2023. The bond will be utilized for the purchase and demolition of Captain Jack and the smaller Trottier Boathouse and pavilion, making way for the Club Street Local Waterfront Revitalization Plan, which has been evolving over the last 3 years.

We understand that everyone has their own opinion on the project, which is why we are encouraging all residents to take the time to educate themselves on the unique opportunity. This will help you make an informed decision when the time comes to vote. We have included a Frequently Asked Questions sheet in this package along with an absentee ballot application if you are unable to make the vote in person. You can also access additional information, drawings, and details on the Town of Cape Vincent Website.

www.townofcapevincent.org

We want to remind you that your voice matters, and we value your input as we move forward with this project. This is your chance to express your views and have a say in the future of our Community.

The referendum will be held on Saturday, April 13th, 2024 from 12 pm-6 pm at the Town of Cape Vincent Recreation Park, 602 James Street, Cape Vincent.

On behalf of the Town Board, we urge you to participate in the referendum when it takes place. By doing so, you will help shape our community for years to come. Thank you for your time and consideration on this matter.

Sincerely,

Paul Aubertine
Supervisor
